New York - Aug. 3rd/78.

To any Bishop or Presbyter of the Anglican Church in Canada. —

Permit me to introduce to you the Reverend Edward Kenney - our faithful and indefatigable Missionary in Cuba. He is doing much the same work in that Island as Bishop Holly is in Haiti, and Dr. Riley in Mexico. -

Trusting in the warmth of our common interest in the spread of our beloved Church, I commend him, as much worthy, to your Christian kindness. -

(Rgd) B. B. Smith,
Presiding Bishop &c.
